

The logo for Orant Charities features the word "Orant" in a large, white, serif font. Below it, the word "CHARITIES" is written in a smaller, white, sans-serif font, enclosed within a white rectangular box. The background of the entire poster is a vibrant, abstract pattern of overlapping, scalloped shapes in shades of orange, red, green, and blue, set against a dark background. A dark teal diagonal shape cuts across the top left corner, serving as a backdrop for the text.

AN INVITATION

Dear Friends,

I am excited to invite you to the 2023 Orant Mudzi Gala. We invite you as a part of our mudzi - our global village - to celebrate with us in Dallas and to support the lifesaving work of Orant Charities.

In 2022, we continued our holistic work in Malawi to help the poorest of the poor. We drilled 15 new wells and implemented a data-based method for ensuring all water wells are properly maintained.

Of our sponsored girl students, 50 graduated from secondary school, with many of them going on to college.

The Orant Farm Club made record profits in what was a hard year for many and our FEM women completed their third year of success in small business training and entrepreneurship.

Malaria - a deadly disease for young children and the elderly alike - was not as prevalent in our area in 2022 and gave us space to develop new medical approaches. Due to your support at last year's gala we have been able to create a new maternal and child health program to provide better care for these vulnerable populations. We now offer prenatal classes to women in remote villages and have begun refurbishing our maternity ward.

Your continued support makes the difference and is vital to continuing our work.

Join us for this year's gala on Saturday, September 23, 2023 at the Perot Museum of Nature and Science. Your sponsorship for this night will ensure an unforgettable evening for your guests - and generate valuable exposure for your brand to 250+ high level DFW supporters.

We invite you to explore the enclosed sponsorship opportunities for our gala. We hope that you find an opportunity that fits your interests. Our team is happy to create customized sponsorship opportunities based on your needs as well.

Sincerely,

John Tenny

THE ORANT MUDZI

Orant envisions a unified, thriving global village where all people, including women, have their basic needs met and are therefore able to pursue independent opportunities to learn, grow, and flourish. Our sustainable and holistic approach began in central Malawi 16 years ago, tackling not one problem but many, as all are interconnected. Orant's programs include Healthcare, Education, Water & Sanitation, and Agriculture & Business.

ORANT'S IMPACT

Orant runs four programs in rural Malawi:

- Water & Sanitation
- Agriculture & Business
- Education
- Healthcare

Orant's Healthcare Program provides some of the only reliable access to quality medicine and care for miles around.

Our Agriculture & Business Program empowers farmers and businesswomen with skill development, loans, and collaboration.

Our Education Program supports students with tuition, supplies, and mentorships. We now also offer the Orant Ulemu Scholarship for university students.

Our Water Program drills and repairs wells, then trains communities on preventative maintenance. In 2022 alone, Orant facilitated 273 well services and repairs.
